Ladies good afternoon, Although I was included on Mr. Friedman's protest notification you still have to file the protest with appropriate documents with my office. It will be assigned to whomever is assigned to FMAA. Unfortunately Mr. Friedman includes me on all correspondence to DLA Aviation whether I am involved or not.

Good afternoon Wayne

You've already included legal in your email response [REDACTED] and I will await their review and findings. From a supervisors view—you worked with [REDACTED] on ensuring you were allowed 48 hours during the pandemic to respond to requests. You are tracking times—[REDACTED] all have an expiration.

Again we will allow legal to review all documents and make their findings.

Very Respectfully,

Please forward my protest to your legal department for consideration.

Your request below just specified a date, not a time. My submission was therefore timely and in compliance.
